CORPORATE PACKAGE

Gainsborough Greens is excited to be able to present to you our range of Corporate Golf Day options.

Whether you want to select from one of our packaged Corporate Golf Days or build your own event from scratch, the Gainsborough Greens corporate events team will help you every step of the way.

We understand that not everyone who is given the responsibility of organising a Corporate Golf Day is a golfer themselves, which is why we have introduced a series of packages that can be enjoyed – and tailored – by those wanting anything from a fun day out to an all-out, top shelf event.

At Gainsborough Greens our goal is to make your event easy, seamless, professional and as much fun as possible. You will find us easy to deal with, flexible and a source of great ideas that will help you to leave your guests with a winning impression.

We appreciate your enquiry about utilizing our services for your important event. As a result, we would like to offer you two free rounds of golf (including electric GPS cart) from Monday to Friday to experience the course firsthand.

I am looking forward to meeting with you to discuss all your event needs and I am always here if you have any questions.

Yours Faithfully,

Michelle Bristow
